

# Coronavirus is not stopping Lakeside Family Education!

Our students and their families are hard at work. The older children are helping their mom's and dad's with technology and virtual learning! Moms and dads are teaching their children to read in Spanish and learn together.

Lakeside provides monthly home learning packets of assignments, materials, books, ideas for PACT (Parents and Children Together) Time, and hard copies of Scholastic Magazines.

Online learning is also be available. 10 online seats in ReadingHorizons Foundations for Learning English are available for adults and 20 online Scholastic Newspapers for children and adults!

June/July packets will include 4<sup>th</sup> of July lessons, USA bandanas, books, Hurricane Preparedness Information, Bilingual books, and art supplies.

Many thanks to our **LAKESIDE FAMILY EDUCATION MISSION** supporters who so generously help us get the materials to our Families in during these trying times! Sincerely, Janice Hobbs / Administrator
